RE: Updated the Community Integration Process Manual (CIP) and is now known as Community Living Choices (CLC).

Social & Rehabilitation Services/Disability and Behavioral Health Services/ Community Supports & Services (SRS/DBHS/CSS) with the assistance of stakeholders from the ICF work group was given the task to update the CIP Manual of 2002. This task was started back in the spring of 2008 and has now been completed and is in draft form for all stakeholders to review and provide feedback.

With Kansas being awarded the Money Follows the Person Demonstration Project (MFP). It was necessary to update the CIP manual to reflect current State and Federal policy.

If you would like to provide feedback on the draft CLC manual please do not hesitate to contact CSS or email me at Pamela.Keller@srs.ks.gov
